

# Arizona Chapter NECA/IBEW Drug Free Workplace Program

## Notification of Designated Representative

\_\_\_\_\_ (Employer/ Contractor) hereby notifies our employees that the following are the designated representatives for the NECA/IBEW Drug Free Workplace Program.

If you are working in a safety-sensitive position, the program views positions in the electrical construction trade such as journeyman, construction wireman, construction electrician, apprentices and employees with commercial driver's licenses as being safety sensitive, and are required to notify your employer of any prescription that could affect or impair your job performance, please notify one of the following:
